

THE PEOPLE FIRST!

**ALL RELIEF EFFORTS MUST PRIORITIZE BLACK FAMILIES
AND COMMUNITIES OVER CORPORATIONS**

WE DEMAND:

- An increase from minimum wage to a living wage for all frontline and essential workers**
- Paid leave for all workers without exception**
- food assistance for all, and especially those who are unable to help themselves like the elderly and immunocompromised.**
- All student debt be canceled**
- A Universal Basic Income to support and protect workers in the informal economy**
- Any bailout package to financial institutions also include canceling the burden of interest and payments from everyday people**
